## MASARU AND THE AFTER-SCHOOL PERSONALITY CLASS

AH!
I SAW IT JUST NOW!
FUFUFU YES, I DEFINITELY JUST SAW IT...
AH! AGAIN! EVEN YAMAKAWA-SAN!!
NAIVE NAIVE...! SHE JUST PRETENDED LIKE SHE WAS LOOKING BEHIND HER AND THEN STOPPED TO LOOK AT MY HALFWAY THROUGH
IT'S SO OBVIOUS! COMPLETELY OBVIOUS!
YOU WANT TO LOOK AT IT, DON'T YOU?! AT MY HAIR!!
LOOK AS MUCH AS YOU LIKE...!! UNTIL YOUR HEART SOFTENS! TO MY SHINING MANLY APPEARANCE!
...IS WHO? ANSWER RIGHT NOW...!
EH?!
OK! SATOU! YOU!!
AH..?!

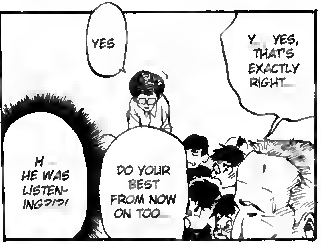
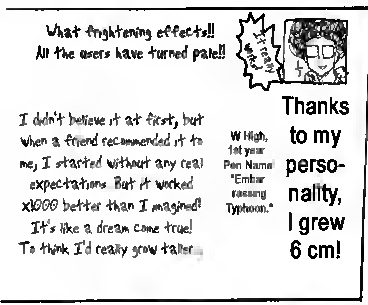
REPEAT THE QUESTION I JUST ASKED!
UH
OH KAY...
HEY, WHAT'S WRONG?
UMM ER...
GO ON, SAY IT!

UHH... THE ANSWER IS "GROTIUS."
WHO IS THE DUTCH SCHOLAR THAT CONTRIBUTED GREATLY TO THE ESTABLISHMENT OF INTERNATIONAL LAW AFTER THE COLLAPSE OF FEUDAL SOCIETY IN EUROPE...?





What frightening effects!! All the users have turned pale!!
Thanks to my personality, I grew 6 cm!
I didn't believe it at first, but when a friend recommended it to me, I started without any real expectations. But it worked x1000 better than I imagined! It's like a dream come true! To think I'd really grow taller...

Words often used in heated punk mangas or yakuza movies. It's always slightly different than normal dialects, and therefore called the manly dialect. For some reason, it's manly. (Example) I'm the Chuck Wilson of Naniwa, mother-fucker! (etc)

INCIDENTALLY, DURING THIS TIME I REALIZED JUST HOW MUCH I WITH THIS HAIRSTYLE RESEMBLED THE ACTOR SHIMURA KEN, AND SO I BEGAN WHISTLING ONE OF HIS MOST FAMOUS SONGS "STRANGE OLD MAN"... INDEED, GETTING TOO CAUGHT UP IN SAID WHISTLING WAS THE CAUSE OF MY CARELESSNESS. THAT IS WHEN IT HAPPENED. **Commando 43: Monotarou**

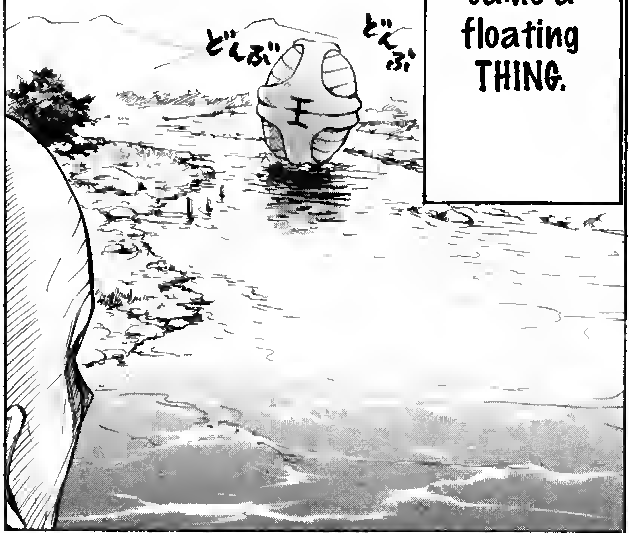
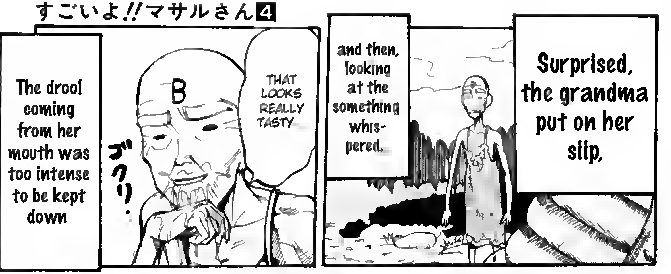
(*t/l a play off Momotarou, a famous Japanese fairy tale)

# Commando 43

## Monotarou

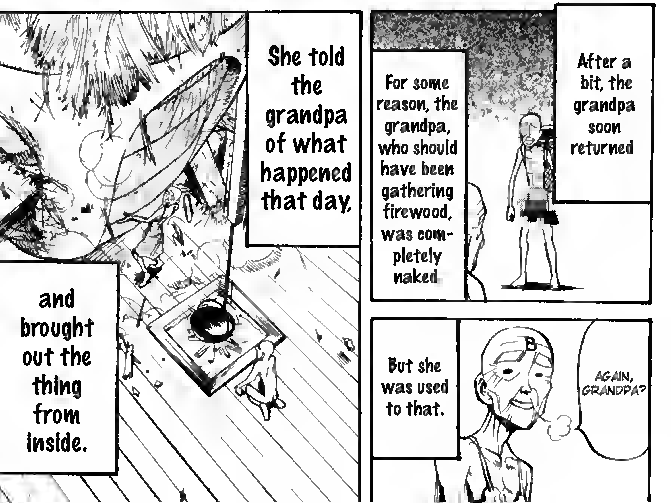


('the joke here is that mono means 'thing' instead of momo, which means 'peach')

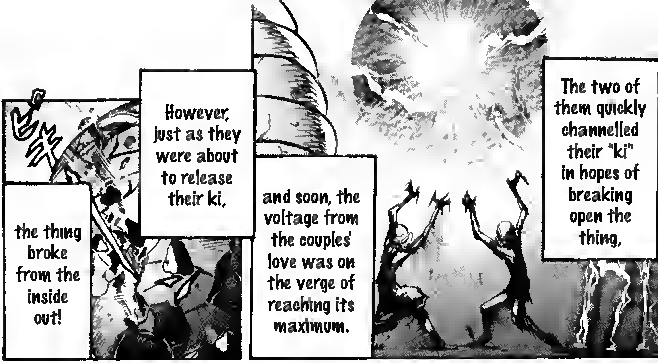


The drool coming from her mouth was too intense to be kept down
ゴクリ
THAT LOOKS REALLY TASTY
and then, looking at the something whis-pered.
Surprised, the grandma put on her slip.

Then, waited for the grandpa to come back...
She quickly picked up the thing and took it home.



She told the grandpa of what happened that day,
and brought out the thing from inside.
For some reason, the grandpa, who should have been gathering firewood, was com-pletely naked
After a bit, the grandpa soon returned
But she was used to that.
AGAIN, GRANDPA?



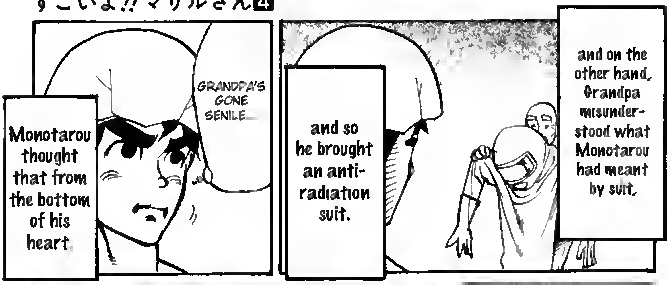
The two of them quickly channelled their "ki" in hopes of breaking open the thing,
and soon, the voltage from the couples' love was on the verge of reaching its maximum.
However, just as they were about to release their ki,
the thing broke from the inside out!

And from the inside...
a cute boy

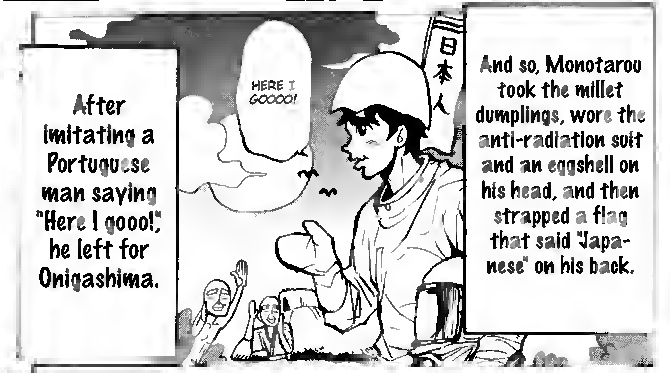
was born, crying!
GAAA LIII IILE EEE OOO OO!
But the grandpa and grandma paid no attention to the boy,
and were far too busy greedily devouring the thing.
And so the boy got passed.

YOSHI-NOBU!
Mono-tarou.
they looked at the pissed-off boy and were startled.
Finally after the grandma and grandpa finished eating it all.
HMM M
Then, they gave him a name
And so, 3 years later,
Mono-tarou matured.
In response, Monotarou grew bigger and bigger.
The grandma and grandpa raised Mono-tarou well.
GRANDPA, GRANDMA, THANKS SO MUCH FOR RAISING ME ALL THIS WAY
I'M GOING TO HEAD TO ONIGASHIMA AND DEFEAT THE EVIL ONI THERE
But he was still completely naked

Grandpa and Grandma wondered if their son Momotarou was retarded.
YO-CHI-NO-BU
Looking at Momotarou, who had suddenly started talking about something random like that,
O...
ONI-GA-SHI-MA?
IN ORDER FOR ME TO BEAT THE ONI, I FIRST NEED YOU TO MAKE ME THE BEST MILLET DUMPLING IN ALL OF JAPAN, GRANDMA
GRANDPA, GRANDMA, I HAVE A REQUEST.
and Momotarou knew this.
But the truth is, he wasn't
Onigashima really existed,
Of course. If they had wanted to go against him, there wouldn't really have been anything they could do about it.
コク
They both obeyed his orders.
Grandma made a bunch of the world's finest millet dumplings.
I'D LIKE YOU TO MAKE ME A SUIT
AND THEN GRANDPA, AS CONGRATULATIONS FOR ME MATURING.



GRANDPA'S GONE SENILE...
Monotarou thought that from the bottom of his heart
and so he brought an anti-radiation suit.
and on the other hand, Grandpa misunderstood what Monotarou had meant by suit.

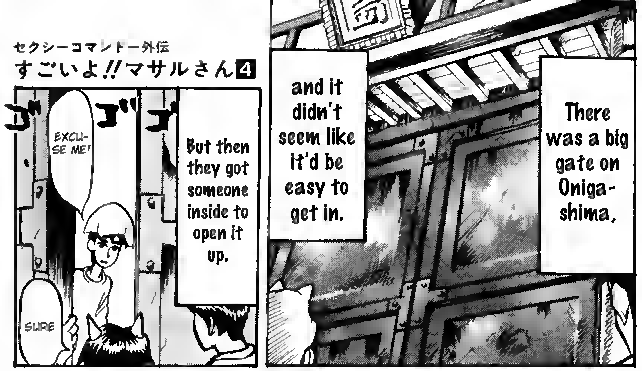


After imitating a Portuguese man saying "Here I gooo!", he left for Onigashima.
HERE I GOOOO!
日本人
And so, Monotarou took the millet dumplings, wore the anti-radiation suit and an eggshell on his head, and then strapped a flag that said "Japanese" on his back.

About suits, Portuguese people, how he was Monotarou and how he used to be in the Tanokin Trio.
After walking a little together, they started telling each other about their lives
UH, HELLO...
After a bit of traveling, he saw a barking dog.

 (*Old Japanese comedy group)

NOW FOLLOW ME!
He said he'd give them some if they became his friends.
They were after the millet dumplings.
When he turned around he realized a pheasant and a monkey had followed him
The monkey vowed never to forget this grudge for the rest of his life.
But for some reason the monkey's was full of wasabi.
a strange power began to emit from all of them
When they ate the dumplings Grandma had made,
Finally, they reached it...
heading toward Onigashima
Monotarou and friends crossed over the field, and continued through the mountains,



There was a big gate on Onigashima,
and it didn't seem like it'd be easy to get in.
But then they got someone inside to open it up.
EXCUSE ME!
SURE

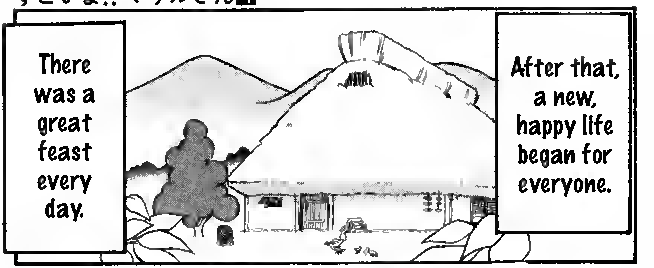
I AM MONOTAROU, THE STRONGEST MAN IN JAPAN! I'VE COME TO EXTERMINATE THE ONI, PREPARE YOURSELF!
Just after having the gate opened for him, he immediately said something very rude
The oni were taken aback.
HOW IMPOLITE!

Upon seeing the oni, without another thought, he leapt forward.
The millet dumplings had sped up the metabolisms of Monotarou and co., as well as increased their muscles As a result, they became terribly strong!

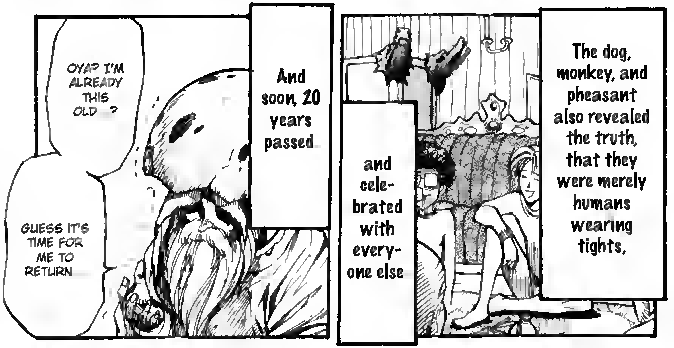
In minutes, the oni came close to being completely exterminated.
But one oni hurried away to go tell the oni captain what was happening.
In a deep room, the oni captain was being served by a wonderful woman.
He was drinking Dom Perignon on a pile of dollar bills
After hearing the news the oni captain seemed rather reluctant to leave
TCH!
but eventually, moved out to the front
The oni who came to report prayed and prayed for his captain to do well
SO SEXY
so skinny it was just pathetic.
And so, the oni captain finally appeared.
But the oni captain was...

The captain was even more ridiculous.
UM... OK...
Monotarou was the kind of man who could easily do ridiculous things.
SORRY, BUT PUNCH ME THREE TIMES!
SYMPATHY IS FORBIDDEN IN WAR!
OK, I WON'T
VOW TO NEVER DO ANY BAD THINGS AGAIN, AND I WILL FORGIVE YOU!
But before anything could happen, he was somehow stopped by the dog, monkey, and pheasant.
PLEASE FORGIVE US NOW. WE WON'T DO ANYTHING ELSE
The oni were moved and presented Monotarou with all their treasure.
BRING ALL THE SAKE, WOMEN, AND VALUABLES YOU OWN OUT HERE!
Monotarou forgave the oni out of his kind heart.
But Monotarou didn't need treasure. He told them to return the princess they kidnapped.
WHAT, SERIOUSLY? THIS IS ALL YOU HAVE?
AREN'T THERE, ANY, LIKE... TRAPPED PRINCESSES OR SOMETHING?

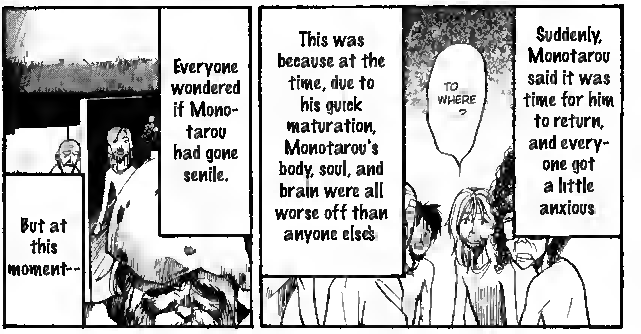
The dog, monkey, and pheasant began drooling
And so, out came Princess Annojou.
But Monotarou
got more pissed than any other man in Japan, ever
and was soon home safely.
So, Monotarou once again crossed over the mountains and fields to go back,
They began throwing the money around,
as if they had gone mad.
YOSHI-NOBU!
Upon his arrival, Grandma and Grandpa came out to greet him, overjoyed.



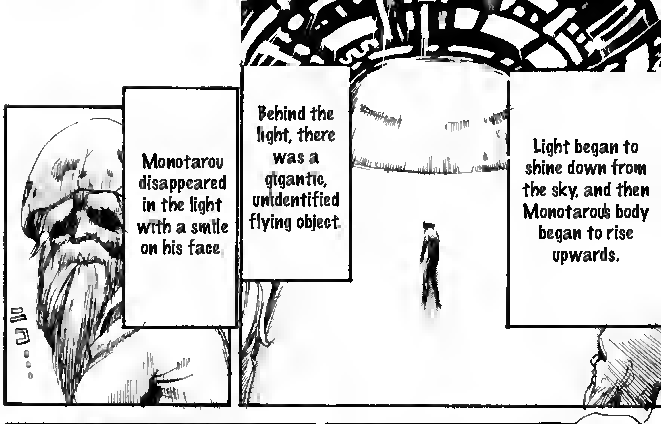
There was a great feast every day.
After that, a new, happy life began for everyone.



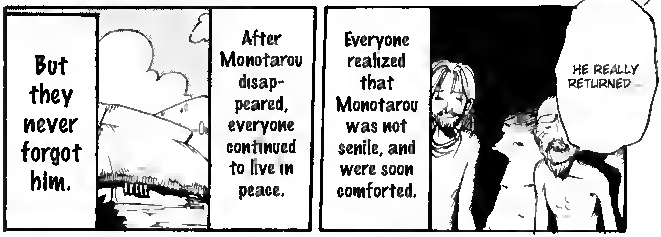
OYA? I'M ALREADY THIS OLD ?
GUESS IT'S TIME FOR ME TO RETURN
And soon, 20 years passed
and celebrated with everyone else
The dog, monkey, and pheasant also revealed the truth, that they were merely humans wearing tights,



But at this moment--
Everyone wondered if Monotarou had gone senile.
This was because at the time, due to his quick maturation, Monotarou's body, soul, and brain were all worse off than anyone else's
TO WHERE ?
Suddenly, Monotarou said it was time for him to return, and everyone got a little anxious



Light began to shine down from the sky, and then Monotarou's body began to rise upwards.
Behind the light, there was a gigantic, unidentified flying object.
Monotarou disappeared in the light with a smile on his face.
Eh...



Everyone realized that Monotarou was not senile, and were soon comforted.
HE REALLY RETURNED
After Monotarou disappeared, everyone continued to live in peace.
But they never forgot him.

The monkey, too...
did not forget what happened 20 years ago...
the pain of the wasabi...
He never forgot it.
And so, everyone lived happily ever after
